Sierra Tarascans

INSTITUTE OF SOCIAL ANTHROPOLOGY—PUBLICATION NO. 2

[p.9]

MAP 1.—Tarascan territory. Towns in italic are Tarascan in culture and speech. Towns in roman are either of Mestizo origin or are primarily Mestizo in population and culture and Spanish in speech. The list of Tarascan towns shown is complete only in the vicinity of Cherán; the inadequacies of existing maps make it impossible to show all the Tarascan towns with any approach to accuracy.
